DECEMBER

The New Mexico Chapter of ASHRAE wishes all members and their families Happy Holidays!

We will not have any events this month. Please spend time with your friends and family and we will see you next year with an educational program on humidification.

NM Chapter welcomes the following new members:

Ross Collord

Tracey Heller

Did you know the value of your ASHRAE handbook almost covers your membership cost?

PRESIDENT'S MESSAGE

Last month we had a very interesting presentation from Ken Mitchell on how the City of Albuquerque is achieving their energy efficiency goals for their facilities. Thank you to Ken for speaking with us and to all who came out to see it.

The board has decided to again help support the HVAC engineering class at UNM this upcoming semester. We are subsidizing a large portion of the cost of the ASHRAE textbooks used by the students in the class taught by Larry Schuster.

Thank you for supporting your local ASHRAE Chapter. I would like to wish all of you a safe and Happy Holidays.
