

THIN-AIR BULLETIN

American Society of Heating, Refrigeration, and Air Conditioning Engineers NM Chapter Region IX Albuquerque, NM

ASHRAE Meeting for January

Topic: High Performance Mechanical System Design Solutions for Advanced Semi Conductor Facilities

Speaker: Larry Clark P.E., Director Mechanical Discipline, M+W U.S., Inc

Larry is the director of the mechanical engineering discipline for M+W U.S., Inc. He is responsible for mechanical engineering design for all projects performed in the US and currently directs staff located in seven offices throughout the US. He was the lead mechanical engineer for the GLOBALFOUNDRIES, Fab 8.1 project. Prior to joining M+W U.S., Inc. in 2004, Larry held positions at CH2M-Hill and Black & Veatch and has over 39 years experience in the design of complex mechanical systems for mission critical, industrial, defense, microelectronics, and commercial facilities. He holds a BSME degree from Iowa State University and is a registered engineer in nine states.

WHEN: Tuesday January 17 2012 at 11:45am

COST: \$20 Members, \$25 Non Members

WHERE: Pappadeaux Seafood Kitchen
5011 Pan American West Fwy NE
Albuquerque, NM

RSVP to Patrick Watkins by Friday January 13th.
Email: patrick@wmc Carroll.com

President's Message

I hope everyone honked for New Mexico's 100 Birthday! Maybe I couldn't hear over my own horn. With a century of State Government experience now under our belt it should all begin to make sense and put us on the path to a bright future... Right?

It's in the wind that 2012 may be our comeback year with our economy. Let's pray that's the case. Things are moving forward and some stimulus has come our way.

Join us at our first Luncheon of the new year next week and remember to give to ASHRAE Research. JR Sunderman will be reaching out to all and will take individual help to meet our goal for the year.

We are still looking for a Student Activities committee chair. Please contact me or anyone on the board and we'll give you some insight/help into the role.

Your Chapter Board welcomes any input, ideas, or questions in regard to your local Chapter. Thank you for your continued support.

Sincerely,

Charlie Scoggin

From the History Committee

Society Year 1990-1991

New Mexico Chapter Activities

President: Bruce Davis
President-Elect: John Grapsas
Secretary: Steve Maggert
Treasurer: Mike Slaman

Thomas T. Shishman was the guest speaker at the January meeting at The Albuquerque F... uss
"Asbestos and Environmental Issues in Remodeling"

Two golf outings were held: one in September at Cochiti and in May at Tierra del Sol.

This Chapter and the NM Energy & Minerals Department co-sponsored several seminars held in conjunction with the Construction & Architectural Suppliers Show in March.

There was a week of seminars during November:

1. Variable Air Volume Terminals
2. Fire Protection
3. Cross Flow Protection
4. Fire Protection Systems Design

Young Engineers in ASHRAE (YEA) Happy Hour

Our last YEA happy hour was a success. We met some people who haven't been attending chapter meetings and had a good time.

What: YEA Happy Hour

When: Thursday, January 19 2012, 6:00pm-7:00pm

Where: Stone Face Tavern (San Pedro just North of Paseo del Norte)

If you think you can make it please send an email to Joe Higham, jhigham@nswnm.com

Society has determined that all ASHRAE members 35 years of age and under are YEA members, however everyone is welcome to come to New Mexico YEA events.

ASHRAE 2012 Winter Conference

ASHRAE is holding its Winter Conference in Chicago this year in conjunction with the AHR Expo. The chapter is trying to put a list together of New Mexico members who are attending. If you are interested in having your name on the list and finding out who else is going email Joe Higham jhigham@nswnm.com by January 17.
