President's Message

Last Month we had a great joint meeting with the Association of energy Engineers and we were joined by a new group, the Energy Service Coalition. The evening offered an opportunity to mingle with some new faces.

This month we look forward to a tour at Miller Bonded. Miller bonded has been on the cutting edge of three dimensional detailing and MEP coordination for years and they operate a state of the art facility. It should be informative to see what they have been up to.

We held our golf tournament on September 7th and it was another successful event for the New Mexico Chapter of ASHRAE. I want to thank all the sponsors and participants for their involvement. I also want to recognize Sandia Golf Club as they have been a great partner in this event with us for over 5 years now.

In the coming months we have booked lunch programs on Engineering Ethics, Computational Fluid Dynamics and Refrigeration in hopes of providing the membership with relevant meetings that can also be used towards you PDH requirements. As Always we invite you input on our programs.

WHEN: Tuesday October, 2012. 11:30 Tour. **COST:** No Cost this meeting thanks to MBI.
WHERE: Miller Bonded Inc., 4538 McLeod NE, Albuquerque, NM 87109; Albuquerque, NM

RSVP to Morgan Royce by Friday October 12th. Email: mbroyce@bgce.com.

OCTOBER 1990

President: Bruce Davis
President-elect: John Grapsas
Secretary: Steve Maggert
Treasurer: Mike Slaman

The program featured John Ehrlichman speaking on "What's Going on in Washington". Mr. Ehrlichman, the publisher and chairman of the Advisory Board of the Law Environmental Group spoke about the environment, the nations' budget and world peace.

The New Mexico October program was held at the Bishop's Lodge on Friday, October 19th. The cost of the meal was \$28.00 per person.

ASHRAE GOLF TOURNAMENT

On September 7, 2012 the chapter held our annual golf tournament at Sandia Golf Club. The tournament is our fundraiser of the year with the majority of the proceeds being used to promote the HVAC industry to students in both the K-12 and collegiate levels. There were a total of 18 teams. The NM Chapter of ASHRAE would like to thank all of the prize donors, hole sponsors & beverage sponsors:

ArSed Engineering Group	Automated Control Systems	Bridgers and Paxton Consulting Engineers
Boyd Engineering Co.	CAC, Inc	CaptiveAire
Climatec Inc.	Coupland Moran Engineers	Ebtron
Engineered Equipment Sales & Testing	Beaudin Ganze Consulting Engineers	Energy Control Inc.
