

THIN-AIR BULLETIN

American Society of Heating, Refrigeration, and Air Conditioning Engineers NM Chapter Region IX Albuquerque, NM

Joint Meeting of NM ASHRAE and NMAEE

Please join us for a joint meeting with the Energy Service Coalition and the NM Association of energy Engineers on:

September 24, 2013
Nativo Lodge
5:00 pm - Cocktail Hour with Cash Bar
6:00 pm - Program and awards Banquet

Guest Speaker: John Christensen

John P. Christensen is the Director of Physical Plant Services at Albuquerque Academy, an independent college preparatory school for 1100 boys and girls in grades 6-12. The Academy has 19 buildings on 312 acres in the Northeast Heights of Albuquerque, New Mexico. He is responsible for managing a crew of 36 custodians, grounds, maintenance, and security personnel. He was previously the Facilities Director and Project Manager with Carroll College in Waukesha, Wisconsin. A former HVAC mechanic and supervisor, he has been involved in campus construction, maintenance, energy conservation and capital renewal projects as a Tradesman, Project Coordinator, and Facilities Director. John has been involved with facilities maintenance for 30 years and facilities management for the last 20. He is a member of the Association of Physical Plant Administrators and the United States Green Building Council.

John will be speaking about the following topics:

Albuquerque Academy energy conservation initiatives including the Academy's recent conversion of six small buildings to variable refrigerant flow, and in-progress installation of almost 700 LED light fixtures and retrofits, a one megawatt photovoltaic array on campus and the associated third party agreement, as well as selling all of this to the Business Office and Board.

President's Message

I hope everyone had a great summer. I also hope everyone is excited to start the 2013-2014 year of the New Mexico Chapter of ASHRAE. It is my privilege to lead the Chapter through the coming year. As a Chapter, I see some exciting challenges and opportunities ahead of us.

It is my pleasure to introduce in this newsletter, the roster of our local chapter's new Board of Governors and Committee Chairs. The new Board of Governors and Committee Chairs are committed to maintaining the momentum of membership participation we have seen on the local level these past few years.

We as a Chapter are always looking for ways to improve the services that ASHRAE can provide to our local members. In doing so, we would like your assistance. If you have any comments, concerns, or suggestions we would like to hear from you. If you have any requests for programs, technical sessions, or would like to volunteer to present at a meeting, please send an email to myself or any of the other Board or Committee Chairs.

I look forward to a productive year and am excited about serving as your president for the 2013-2014 year.

Sincerely

Morgan Royce
President
2013-2014
